Your Love RaRa Feedback

‘Have any of our sessions helped benefit your mental health? If yes how?’

“Yes, it allowed me to get out the house with my baby knowing she was going to have a good time without breaking the bank. It made me feel less guilty for not doing anything, it got us out of the house which eventually turned into a part of our routine.”

‘Why do you choose to come to Your Love RaRa?’

“I come because I have fun with everyone there, I also come as it helps my mental health and makes me happier.”

"It's low cost fun for children.”

‘How have the programs benefited you?’

“helps younger people to fulfil their potential and become more confident, which will help acquiring future employment.”

"Got me out the house more , it's helped me speak to others more , it's slowly building my confidence up again and helping me to socialise.”
