Meet Lovey Dove!

Lovey Dove is sweet and nurturing and, like all doves, tries to keep the peace. Because she's a mom, she tends to worry. Lovey keeps her baby, Turtle Dove, tucked gently under her wing. Lovey's favorite number is 11, and her favorite color is lemon yellow.

Lovey feels kind when she helps her friends. Lovey feels happy when she's helpful. Lovey feels proud when she treats people the way she wants to be treated—kindly and with friendliness!
